

Dinner at the Golden Harvest

Seatings at 5:30 & 7:30 on August 26th

Brussel Sprouts

Organic Brussel sprouts sautéed and roasted in garlic and olive oil. Tossed in balsamic vinegar for a delightful, light start to the evening.

Fresh Pasta Alfredo

Fresh, housemade egg pasta. With broccoli, mushrooms, and fresh Alfredo sauce.
— The Riva Ranch Chardonnay is a wonderful compliment to the rich pasta. —

Salad Wedge

A wedge of fresh iceberg lettuce topped with tomatoes, hickory smoked bacon bits, and housemade blue cheese dressing.

Blackened New York Steak

A New York steak blackened with Cajun spices and topped with a mushroom marsala sauce. Served with our version of a twice baked potato - the Golden Harvest original potato cake.

— We found the Sparkman Cabernet soothes the spiciness of the Cajun without losing any of the flavors from either wine or steak. —

Italian Cheesecake

A light, Italian influenced cheesecake made from ricotta cheese and topped with a raspberry compote.
— Our 10 year aged port is a perfect sweet compliment to this deceptively simple, classic Italian cheese cake. —
